# REUSABLE NAPPIES

Here at Bells Bumz Eco we are a cloth nappy specialist with years of experience. We have many products from all sizes in reusable nappies, wet bags which have multiply use and wet wipes.

1 baby can use up to 5,000 disposable nappies, 1 disposable nappy can take up to 300 years to degrade and throughout your babies time in nappies they can cost up to £2675 in disposable nappies and wipes. Cloth nappies are often a more affordable option, especially when you are likely to have future children or where you can sell on your preloved cloth nappies to new parents when you are done. Real cloth nappies can help minimise waste and save you money.

Bells Bumz cloth nappies and accessories wants to encourage more parents to give cloth nappies a go and hope that we can help more people choose to reuse and use cloth nappies.
